

Calling all Airedale Lovers!!!! Did you purchase a 2021 calendar and wish your Airedale was featured? How about featuring them in the 2023 LSATC Calendar?

LSATC is having another photo calendar contest and we need your pictures to make it happen. The calendar will be 12 months long (15 months if we get enough entries) and feature selected photos, one on each page, with all paid entries appearing in the back of the calendar.

The contest will run from now through August 31. That will also ensure that we can get the calendars back from the printer for distribution at Versatility Day on November 6. If you don't attend that, you will need to add an extra \$2.00 for each calendar for mailing fees. You will need to send your pictures via email (jpeg format). Keep in mind that for outdoor pictures the best lighting is in the early morning or late afternoon for the best sun outdoors. **NO SHOW OR PROFESSIONAL PHOTOS WILL BE ALLOWED.**

Entries are \$15 each and the calendars will be \$25 if pre-ordered by September 15 or \$30 afterwards. Order instructions are attached.

Start taking those pictures NOW for this great opportunity to have a chance to have your special Airedale be a 2023 Calendar Dale!

**GOOD LUCK TO ALL!!!**
